

13 TIME IS RELATIVE

DAVID QUANG PHAM

F#6/9

So, fam-i-ly comes first in mind?

The first staff of music is in treble clef with a key signature of three sharps (F#, C#, G#) and a common time signature (C). It begins with three measures of whole rests, followed by a series of eighth and sixteenth notes. The lyrics "T o-ver square root of one min-us" are aligned under the notes.

Enlightenment.

Time's in a whole 'nother dimension. The fourth. Time ain't even seen in ours. Which is the third. So, these strobes of lights will have to do in presenting the speed of time.

Time ain't going faster if you keep stressing. Think about something that makes you less worried. Exactly.

To go back and make amends

63 Singularity is not who we should make amends with. It is time. When times are slow,
life is longer. Singularity stays single. We go the distance. For Singularity's sake,
we must continue on this slower passage of time.
