

THE GALS OF THE GALAXY FAMILY

DANIEL SAKAMOTO-WENGEL [he/him] (*Andromeda*)

PARRIS SARTER [she/her] (*Singularity*) is pleased to be a part of the reading of *Ellipses* as *Singularity*. She has been a member of Working Title Playwrights for several years and believes firmly in supporting new work. She has worked extensively throughout the Atlanta theater community. Some of her credits include: *Angels in America* parts 1 and 2, *An Octoroon* (Actor's Express), *Angry Fags*, *The Revolutionists* (7 Stages), *Eclipsed* (Synchronicity), and *The Cake* (The Horizon). She just concluded a new work that she has been collaborating with Hush Harbor Lab Productions called *NINA*. She hopes that you enjoy this reading of this galactic story and that it expands your imagination. Thank you for supporting live theater and please stay sane and safe out there.
