

13 TIME IS RELATIVE

...

DAVID QUANG PHAM

Adagio

Time is rel-a- tive. Time is rel-a- tive. Time is rel-a- tive.

And you ain't got it with-in you. Time is rel-a- tive, but you

ain't find it with-in you. Accelerando Moderato Patience. Stop weigh

ing time. Time can tell you: They are in

all e-qua- tions. Time shall tell you: They are in

light cir-cu-la- tions. Time may tell you: They are in

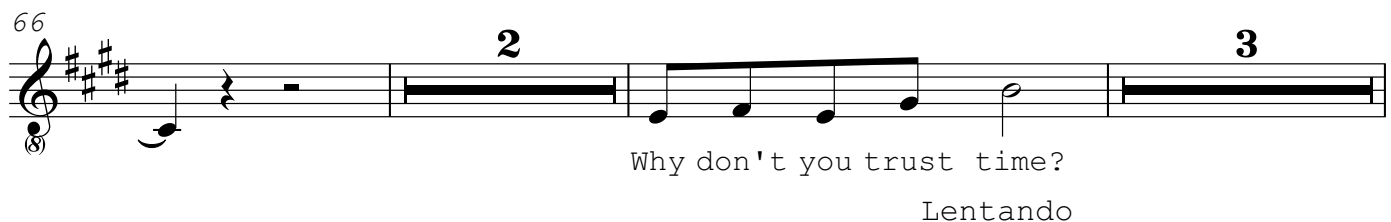

our re-la- tions. Time di- lates.
