WHIRLPOOL Fam-i-ly's in our e-qua-tion. They make up our soc-ial con-struct.

Guitar

WHIRLPOOL: Time goes slower the further you move into one's mass. So, your black-hole heart is younger than how you look. Really, you're naïve and scared on the inside. Life went by fast when the family was together. One millennium, you were baby Cartwheel. The next, you're a teen with hands on the wheel. The same goes for Milky Way. However, we ain't present for our baby sibling. We will miss their stages of development, from height to psyche. Sure, you yourself ain't grown a bit. But get it through your head that there will someday be no time.

56 B(sus4) C#(sus4) B⁶ E⁶

Dilemma, that we face. Milky Way will outgrow our neglect.
Past, present, and future, all we need is each other.
You'll come around to it.

59 E B(add2) C#m(add2) A B

WHIRLPOOL

Time's too re-lat-ive. We need to see our fam-i-ly. You'll know in no time...

CARTWHEEL: T. Time... Over. Time has an influence over all... Square. Our family square... Root. Where we come from... Of one. Our single parent... Minus velocity. Each of us leaving for another city... Squared divided. Our family is divided... By the speed of light squared. Even though we squared off, our family will truly be over once we see the light...

Time is more special than it is relative... Unlike light, time is not passed down. Time's only here for the relationships in the moment. Whirlpool and I left home at the age of thirteen or so eternities near the speed of light. Milky Way was twelve eternities old. If we come back eternities later, we'll only seem a bit older while Milky Way may be rightfully old. Time dilation... We are forever Singularity's babies. But no matter how hard we try, nevermore family will be. Whether times are fast or slow, it doesn't change that time passes away. I must take on this weight. We must be there for our family before we won't have time anymore.

We'll know in... *No time.*

The image shows a guitar chord progression for measures 61 through 70. The key signature has three sharps (F#, C#, G#). The chords are as follows:

- Measure 61: E (open), B (x), E (open)
- Measure 62: G#m7 (4fr), F#m(add2)
- Measure 63: E (open), F#m7
- Measure 64: B6 (x), E% (x)
- Measure 65: E (open)

The notation includes a treble clef, a key signature of three sharps, and a guitar staff. The chords are indicated by letters and symbols above the staff, with some chords having a '4fr' (four-finger) or 'x' (mute) symbol. The measure numbers 61 through 70 are indicated by a bracket below the staff.

This musical score page contains measures 48 through 52. It features four staves: two for Piano and two for Guitar. The key signature is B-flat major (two flats). The first Piano staff (top) has a complex texture with many beamed sixteenth notes in the right hand and simpler bass notes in the left hand. The second Piano staff (middle) has a more melodic line in the right hand with some rests in the left. The third Piano staff (bottom) has a similar texture to the first, with dense sixteenth-note patterns in the right hand. The Guitar staff (bottom) is mostly empty, with rests in all five measures.
