

THE GALS OF THE GALAXY FAMILY

AMBER BRADSHAW [she/they] (**Moderator**) is an Atlanta native, a Southern queer and a fierce believer in the power of storytelling. She is a dramaturg, director, producer and deviser with a sole focus in new works and script development. In Atlanta they have worked with Actor's Express, Synchronicity Theatre, the Alliance Theatre, the Center for Puppetry Arts, Out of Hand Theatre, Out Front Theatre, Gathering Wild Dance, and Theatrical Outfit. Since 2006, Amber has directed, dramaturged and produced play readings as a freelance artist in Atlanta. Of the plays developed, the majority have gone on to be awarded readings, development labs and productions locally and nationally. For WTP, Amber directs and dramaturgs for the Ethel Woolson Lab and the Table Series, moderates regularly for all WTP programs and teaches a year-long New Play development Dramaturgy Intensive.

DANIELA COBB [she/her] (**SPT0615-JD**) has enjoyed being a member of Working Title Playwrights family, as it allows the opportunity for the art community to speak in so many ways. She has performed in the Atlanta Theatre district with many companies; True Colors, The Alliance, Horizon Theatre ... and more. She is now a traveling performer with the National Broadway Tour of The Lion King. "Always grateful for an opportunity to create and heal through the arts."
