Subject: {along the lines of "demo meeting for ELLIPSES" or "ELLIPSES team meeting" something better}

Hello,

We would like to schedule the best time to all gather and discuss how to record "Crunch" and "Warp, Waves, and Wrinkles." At the Zoom meeting, we will address and adjust the text, music, pay scale, and answer questions. Let us know your entire availability and schedule for next week (Monday, March 8 – Sunday, March 14).

If you'd like to take a look beforehand, the materials may be found here:
