Annoyed.
Not the ti—me.___ To push me o—ver

the Edge... Cut in—to my.___ Push me o—ver the Edge of the...

With energy
Cen—ter with our re—lat—ives. Our ti—dal dogs.

Gra—vi—ty, al—ways ground—ing_ me. You see. I go off_

Sentimentally...
___ on a tan—gent. Where the cut—ting Edge will be... (sigh)

Where the cur—va—ture con—ceals all worlds lead—ing in—to kin—ship.

Sail out of this El—lipse. Where the a—stral beach will meet

an o—cean full of chor—al reefs. Sea with o—ther El—lip—ses.

Why is this cir—cle lack—ing the cur—i—o—si—ty in all? Stuck in this here,

ga— la.   Why are these o— vals bent on see— ing no— thing in my— ster— y?

Look be— yond these Ga   —   la— xies.   Why

don't you make me? All your fights have dri — ven a wedge.

Please let me be at peace by_____ the Edge.   Go back and

cir— cum— vent. I'll just be out____ on a tan— gent.
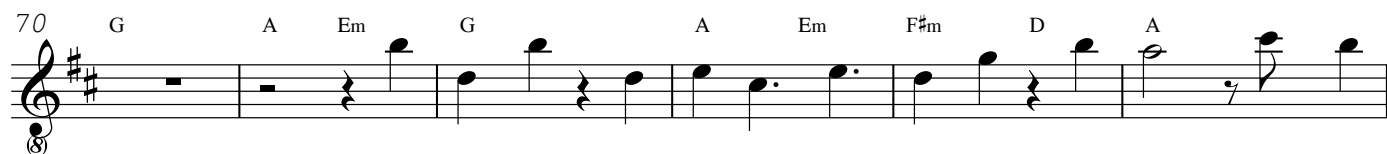

Where the cut— ting Edge will be.   Where the cut— tingEdge will be.

Where the cut— ting Edge will be.   Where the cut— ting Edge will be.
